

For I know the plans I have for you,
declares the LORD,
plans to prosper you and not to harm you,
plans to give you

Hope and a Future.

Jeremiah 29:11

Only half of the children we serve will have an evening meal at home, and only about half of those will have enough to be satisfied. Before Trinity HOPE provided a noon meal at school, the children were too hungry to learn and couldn't concentrate on school work. They were unhealthy and often missed school. There were signs of malnutrition (rust colored hair, blank stares, and tiny bodies). They were described as having no hope.

As the children are fed, they become healthier and no longer suffer from malnutrition. They learn better and see the food as a witness to the truth of the Good News shared daily by their teachers and pastors.

TRINITY HOPE
HAITIAN FEEDING PROGRAM

Our ministry operates in a highly accountable model with extensive checks and balances. We employ Haitian Christian leaders to oversee the programs, and we believe that self-sufficiency is the ultimate future goal.

While we feed thousands of children all across Haiti, thousands more remain on a waiting list praying Trinity HOPE will be able to serve them as well.

Thank you for your interest and support in serving these people. Your financial support is a tremendous blessing.

*Bringing HOPE
To The Children of Haiti*

ONE BOWL OF BEANS AND RICE AT A TIME

HAITI FACTS

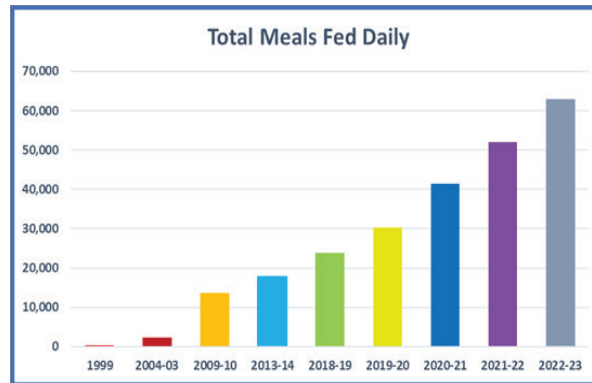

- Poorest country in the Western Hemisphere
- \$825/year is the average income
- GDP per capita: Haiti = \$1,815; U.S. = \$69,288
- Adult illiteracy rate approx. 45%
- Infant mortality rate is 880% higher than the U.S.
- Voodoo is a government sanctioned religion
- 1 in 3 Haitians graduate from High School

Since its beginning in 1999,

Trinity HOPE

has provided a physical, mental, and spiritual lifeline for thousands of children.

Nutrition

Children receive a nutritious bowl of rice (or corn) and beans, with a high-protein sauce developed by a Vanderbilt University nutritionist. This one daily meal costs approximately \$0.25 and will totally change the lives of these children.

Faith

Every school Trinity HOPE feeds is a Christian school, actively teaching the Gospel of Jesus Christ on a regular basis.

Education

Trinity HOPE understands that when children are SO hungry they cannot concentrate, their education suffers. Haiti's future depends on the education of the upcoming generation.

Our Vision

To actively seek and be careful stewards of each dollar God provides so that the maximum number of students in the schools of the Christian churches in Haiti have a meal each day.

Declare His glory among the nations,

His marvelous works

among all the peoples!
